PETITIONING THE COURT**To issue a warrant.**

The probation officer believes that the offender has violated the following conditions of supervision:

Violation Number Nature of Noncompliance

1 **Mandatory Condition #4:** The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as directed by the probation officer.

Special Condition #15: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Bradford used methamphetamine on or about June 28, 2011.

On June 29, 2011, the supervising U.S. probation officer and another U.S. probation officer from the Tacoma office, completed a home inspection of Mr. Bradford's new residence. As the officers entered the residence, they were overcome by the smell of marijuana. Mr. Bradford denied using marijuana, but stated his son was an active user. Upon further questioning, the defendant admitted he had relapsed on methamphetamine, and had used the previous evening. An attempt to obtain a urine sample was unsuccessful. Instead, Mr. Bradford signed an admission form attesting to his use of methamphetamine on or about June 28, 2011. The defendant stated he had used the substance approximately three times, and had administered the substance intravenously.

2 **Mandatory Condition #3:** The defendant shall not illegally possess a controlled substance.

Supporting Evidence: Mr. Bradford was in possession of drug paraphernalia and methamphetamine on June 29, 2011.

3 **Standard Condition # 3:** The defendant shall answer truthfully all inquiries by the probation officer and follow the instructions of the probation officer.

Supporting Evidence: On July 5, 2011, Mr. Bradford failed to report as directed.

On June 30, 2011, Mr. Bradford reported as directed to the Tacoma U.S. Probation Office, and a urine sample was obtained. The defendant was directed to report again on Tuesday, July 5, 2011, as the frequency of his urine submissions was being increased due to his recent relapse. According to the probation officer in Tacoma, Mr. Bradford's amenability to treatment was also to be discussed. The defendant has had no further contact with the probation officer in Tacoma since June 30, 2011.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer to the allegations contained in this petition.
